The Theme for September 2024 in SCHOOLS

SCRIPTURE – “Let the children come to me.”

The Church's involvement in education goes back many centuries. The Catholic Church was the first provider of schools and universities in England. The Church has always viewed education as vital to the formation and development of the whole person. Catholic schools for the Catholic community were set up ahead of building Churches, often using its schools in the early days as the place for worship for the parish. Service to those who are among the most disadvantaged in our society has also always been central to the mission of Catholic education.

Almighty God, You sent forth your Son as a beacon of hope for all people.

As a Teacher, He has given us the prime example of the importance of education. As disciples, we look to him for inspiration and strength. Thank you for the many people who have dedicated their lives in service to our Catholic Schools. Thank you for the teachers and administrators who sustain our schools. Thank you for the parents who have given support and witness to the importance of Catholic education. Thank you for the students who work hard to further their education. Bless all our Catholic Schools and the many people who advance our mission. May our schools be a home for those who seek to grow in openness, faith, love, intellect and commitment to justice. In your name, we pray. Amen.

THANKS!! Digital and Online giving to Our Lady and All Saints Parish

Many thanks to those parishioners, and visitors, who have over the last few weeks either used the electronic donation machine at St Philip Neri or the QR code to contribute to the parish. As you will have seen, it is not complicated.....

This additional way of giving to the weekly collection has seen an increase week on week over the short period since we adopted it as an additional method of giving for the increasing number of people who don't carry cash (these are in the main 'younger' people). As was said earlier, it works alongside our current method of collections – there is no need to change the way you currently give.

The QR code or machine can now also be used for **second collections** and **other donations** if you so wish. Either scan the code [below] on your smart phone or try the machine if you are in St Philip Neri.

The first time a person uses their card to donate, they are asked if they wish to gift aid the amount. If you are a tax payer we encourage this. The process takes less than 1 minute to complete.....

Name; House number (not address); Post Code; Email address ...That's it!..

Any future donations will be automatically gift aided and take 5 seconds to donate.

The QR code ['mydona.com'] is here....

Thank you for your donations, in whatever form, to our wonderful parish.

The Finance Committee.

IF YOU ARE A GIFT AID DECLARATION HOLDER: Please advise your parish office, or the Diocesan Gift Aid Department (parish.giftaid@dioceseofnottingham.uk) of any change in your circumstances, such as **name change / address change / no longer a taxpayer**. If your spouse has died and the GA Declaration was in his / her name, and you wish to continue to contribute because you are a taxpayer, then a new GA Declaration Form will need to be completed. Please also advise of the date of your spouse's death. **Your continued support of both parish and Diocese is always very much appreciated – thank you!** If you do not gift aid your contributions, and you are a taxpayer, and wish to do so, please speak with your parish priest, or contact the parish office for a Gift Aid Declaration Form.
